Cancellation package

LPR 3900.1, Telecommuting Program

Summary

Reason for cancellation

Recently approved NPR 3600.2, NASA Telework Program, is now the official guidance LARC will use for the Telework Program. LPR 3900.1, Telecommuting Program, is obsolete and should be canceled. No further local guidance beyond the procedural requirements set forth in NPR 3600.2 is necessary.

Management Representative recommendation

Recommend approval - *Kathryn Suddreth 3/2/2010*
